RE: Transportation Alternatives Program

Dear Mr. Jameson:

Please accept this letter of support from the Board of Selectmen of the Town of Warner for the TAP Grant Application to build a crushed stone surface multi-use path (rail trail) from Chemical Rd in Warner Village connecting to the roundabout planned for Route 103 near I-89 Exit 9. The proposed multiuse trail which will enable cyclists and pedestrians to safely travel from densely populated residential neighborhoods in the village to the Market Basket Plaza and adjacent retail establishments.

The Board of Selectmen is committed to making a full presentation of this project to the voters at town meeting to be held on March 11, 2015 for approval of the town residents and to raise the appropriation needed to fund design and construction of this project.

Yours truly,

WARNER BOARD OF SELECTMEN

David E. Hartman, Chairman
